Committee Personnel, Roles and Responsibilities

We continue to grow with 5 men's league teams plus the veterans side, 4 women's league teams (up from three last season) plus the Vixens team (junior girls) and a junior section which seems to increase in size each season ! Our size, aims and objectives and turnover mean a lot of behind the scenes work goes on by volunteers, some of whom form part of the Committee structure set out on this page and the next.

Voucher Scheme for Coaching Assistants

Junior Coaching for five to thirteen year-olds begins on Wednesday 9th September. With up to ninety juniors attending, we need three coaches and six assistants to work with Angela each week.

For this season, we're trialling a Voucher Scheme which rewards these coaches and assistants. Coaches receive two vouchers, assistants one voucher for each session they attend. The vouchers can then be exchanged towards various social events. For example, 8 vouchers will give entry to the Quiz and Curry Night.

Full details of the scheme will be posted on the website, but anyone interested in coaching or assisting at Junior Training can contact Angela Briggs on juniors@warwickhockey.co.uk or via the Teamroom on the website.
